Making sure nothing comes between your food and guests.

Hardware as a Service, at your service

The PAR ∞ portfolio represents our hardware-as-a-service offering. Unlike others, The Par ∞ offering delivers built-for-restaurant hardware and also the services required to install, manage, update and maintain the technology -as a single subscription fee.

The **PAR** ∞ Portfolio

PAR Helix ∞

PAR Helix is our latest POS terminal and specifically designed to support Hardware-as-a-Service. The terminal's removable compute module ensures your restaurant stays ahead of technology disruptions and changes.

PAR KDS ∞

PAR's kitchen display system contains everything you need to run a kitchen, from brackets and cables to the display and bump bar.
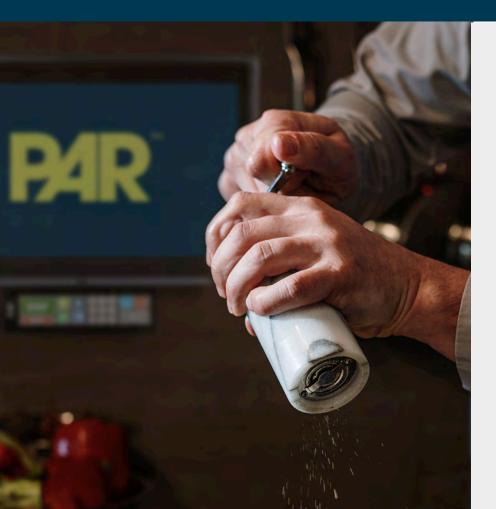

PAR ∞ Options

Every restaurant is unique. Therefore restaurants can obtain additional hardware they need as a subscription with all the services included.

PAR ∞ Services

MAKE SURE NOTHING COMES BETWEEN YOUR FOOD AND YOUR GUESTS.

When restaurant technology stops working, it creates a huge problem. With PAR Services, we take care of everything so you can focus on what's most important - your food and guests.

PAR services cover your technology's entire lifecycle, from shipping and installation to service and disposal. PAR is your restaurant's expert technician, quickly responding to incidents that impact your restaurant, and is responsible for monitoring, managing, and resolving problems with your technology.   The restaurant never has to worry about their technology, as PAR includes all of these services in the ∞ portfolio:

• Shipping
• Installation
• Help Desk
• Managed Services
• Depot Repair
• On-site Field Services
• Disposal"
